"I was very pleased with the INSHAPE conference. The set up and arrangement of the exhibitor area was easily visible and accessible to attendees throughout the conference. I enjoyed the open floor plan set up that allowed the exhibitors to observe sessions and easily connect with attendees throughout the day. The sponsorship prices were very reasonable for the size of the conference and available accommodations i.e. electricity, space, and meals on both days."

INSHAPE is...

A professional education association for teachers, administrators, researchers, coaches, college students and other professionals who are dedicated to the promotion of quality health, physical education, sport, dance, and fitness in public and private schools, colleges and universities, and community agencies throughout Indiana. We are INSHAPE- Indiana Society for Health and Physical Educators.

Our vision is...

A state where all children are prepared to lead healthy, physically active lives.

Our mission is...

Advance professional practice and promote health and physical education, physical activity, fitness, dance, and sport.

Our goal is...

A member in each of the 2000+ Indiana K-12 school buildings advocating for quality health and physical education.

Our program is...

INSHAPE's Partnership program connects the business and non-profit communities with Indiana health and physical educators. Partner members provide a nominal financial contribution to support numerous INSHAPE initiatives, programs, and projects that promote effective health and physical education. In exchange, INSHAPE offers partners an array of benefits.

Note from your INSHAPE Events Chair:

Greetings! We hope that you will join us for our 2024 annual INSHAPE conference. As your events chair, my hope this year is to celebrate you, connect you with our members and build a partnership that continues to grow. We are excited to bring another conference to you and look forward to our collaboration. Feel free to reach out to me with any questions or suggestions.
